"Colors being metamorphosed by water, colors running, and light and shadow" are inspiration for Lucienne Aman, French watercolorist. An exhibition of new work will open at EKLEKTIKAS II, 104 W. Yankee St., Silver City, on May 24. The artist's reception will be from 4-7 p.m. with the artist on hand, for while she lives in France she is no stranger to Silver City, making regular visits to well-known locals Librado and Bonnie Maldonado. Lucienne has studied watercolor technique for over ten years with accomplished, Swiss French and Canadian masters. "Her work is full of vibrant color and rich in line," said Jim Madsen, gallery director, and "we are very excited to have her work." For more information see the on-line exhibition at [www.eklektikas.com](http://www.eklektikas.com) or call the gallery at 5-5-538-8081. The opening is in conjunction with the Silver City Blues Fest, and the show will hang until July 15.
